

WCC General Meeting Minutes 04.06.16

- 1) Motion passed to approve minutes from last general meeting.
- 2) Max Heffler and Sarah Bittner have been updating our WCC website.
- 3) Security – Sharon Giordano
Crime in March: Timberside – Roofers left construction equipment out overnight; Sun Valley – a dolly and lawnmower left in a driveway were taken.

If anyone has surveillance cameras please let us know by emailing security@woodsidecivicclub.org - The security camera footage of several homeowners helped to catch the doggy door thief.

If there are any vacant homes please inform security@woodsidecivicclub.org so that we may let SEAL Security be aware.

Security signs are available to those who pay their dues. Vacation watches are available through SEAL. Members can go to our Woodside website or contact "security@woodsidecivicclub.org if there are any issues.

- 4) Treasurer – Valerie Mogas
Dues can be paid online via PayPal or through cheques. Main expenses that are covered by dues are security service, landscaping and mosquito spraying. Woodside has been reimbursed from other neighborhoods for security and landscaping services. Through a mail drive, we have contacted every home in Woodside. Emails will be sent to those who don't respond to the mail. The email database has grown steadily.
- 5) Yard of the Month – Marisa Hoffman
This will be held every other month. The winner for this month is 9223 Timberside, they will receive a voucher of \$25 from Whole Foods sponsored by the civic club. If anyone knows of a business that may be interested in sponsoring YOM, please contact the WCC.
If there is an overgrown yard in your vicinity, you can contact city on 311 to report and they will come to take a look.

The old wooden Woodside sign on Stella link was damaged while ATT was working out there. ATT will not be repairing the sign. Woodshire would like the sign repaired. The WCC Board advocates not paying for repairing of the sign as we have our brick sign at the entrance of Latma Drive. Woodshire is free to repair or put up a new sign for their neighborhood.

- 6) Other signs in the neighborhood – Leslie Kian
Scouts and a neighbor are helping to repair a sign rotting on Ilona. Boy scouts will take this on as a troop project.
- 7) Other business – Boy scouts are looking for volunteers for their June camp.

Motion to adjourn

Next Meeting on June 1st
